**Academic Support Center:** The Academic Support Center (ASC) offers a range of services to supplement UNM-LA's academic programs. ASC organizes and hosts homework/study groups, review sessions, and workshops, while offering additional course resources and various types of extra help and academic support (drop-in, by appointment, and online). Services cover a wide range of academic subjects and special arrangements may be made for those subjects not currently covered. We now offer tutoring for students who need assistance navigating their online classes. <https://losalamos.unm.edu/asc>

**Bookstore:** At UNM-LA, you will purchase your textbooks through our online bookstore; there is no bookstore on campus. You will also purchase access codes for certain online courseware such as MyLab and Mastering Courses here: <http://bookstore.mbsdirect.net/unm.htm>
